Requisiti di ingresso Stati Uniti

Il programma "Visa Waiver Program" (VWP) consente a cittadini di 42 Paesi, tra cui l'Italia

(cfr. <https://www.dhs.gov/visa-waiver-program-requirements>), di entrare negli Stati Uniti per motivi di affari

e/o turismo, per soggiorni non superiori a 90 giorni, senza dover richiedere un visto d'ingresso. Per tutte le altre finalità, si rende invece necessario richiedere il visto d'ingresso (cfr. infra).

Per entrare negli Stati Uniti nell'ambito del programma "Viaggio senza Visto" (VWP)

è necessario ottenere **una autorizzazione ESTA** (Electronic System for Travel Authorization - ESTA).

L'autorizzazione, che ha durata di due anni (sempre nei limiti dei 90 giorni complessivi di soggiorno consentito) o fino a scadenza del passaporto, va ottenuta prima di salire a bordo del mezzo di trasporto, aereo o navale, in rotta verso gli Stati Uniti accedendo, almeno 72 ore prima della partenza, tramite Internet al sito <https://esta.cbp.dhs.gov> . Si consiglia prudenza nell'interagire con Agenzie che offrano assistenza per

ottenere un visto per gli Stati Uniti. Gli intermediari che richiedono il pagamento di una commissione per aiutare i viaggiatori a registrarsi con l'Esta, non operano per conto del Governo degli Stati Uniti. Il

Programma ESTA ha subito alcune importanti modifiche, a seguito dell'approvazione da parte del Congresso

americano del "Visa Waiver Program Improvement and Terrorist Travel Prevention Act of 2015" (dicembre 2015), di una legge che comporta nuove condizioni per chi intenda viaggiare verso gli Stati Uniti in esenzione da visto.

Si sintetizzano, qui di seguito, le misure di attuazione della nuova normativa, raccomandando anche a chi possieda un ESTA in corso di validità, di controllare attentamente, prima della partenza, i siti web delle Sedi diplomatiche e consolari statunitensi, per verificare la sussistenza della possibilità di essere ammessi negli USA senza visto.

In particolare, la normativa attuale prevede quanto segue:

- in conseguenza della designazione, da parte degli Stati Uniti, in data 12 gennaio 2021, di Cuba come

Stato sponsor del terrorismo, i cittadini italiani che abbiano visitato Cuba a partire dal 12 gennaio 2021, devono richiedere il visto e non possono fare ingresso negli Stati Uniti con l'ESTA.

Si sottolinea che si dovrà procedere alla richiesta di visto, anche per casi di mero transito a Cuba.

I viaggiatori in possesso di un ESTA già approvato o che possiedano la doppia cittadinanza,

riceveranno notifica che l'ESTA è stato revocato e potranno rivedere il loro stato sull'App ESTA o sul sito Web ESTA dello U.S. Customs and Border Protection: <https://esta.cbp.dhs.gov>

- i cittadini di Paesi VWP (inclusa quindi l'Italia) che siano anche cittadini di Iran, Iraq, Siria, Sudan e Corea del Nord, dovranno munirsi di regolare visto d'ingresso per poter entrare negli Stati Uniti ;

- dal 18 febbraio 2016 le restrizioni si applicano, con limitate eccezioni (v. sotto), anche agli individui che si sono recati, dal 1 marzo 2011 in poi, in uno dei seguenti Paesi: Iran, Iraq, Libia, Siria, Somalia, Sudan, Yemen e Corea del Nord.

I Funzionari di Governo ("full-time") e il personale militare di Paesi del VWP, recatisi nei suindicati Stati per

ragioni di servizio, sono esclusi da tale restrizione.

Tuttavia, le eccezioni non si applicano ai doppi cittadini di

Iran, Iraq, Siria, Sudan e Corea del Nord.

Le Autorità statunitensi possono concedere eventuali "eccezioni" a tali restrizioni (valutando caso per caso) ai richiedenti ESTA che rientrino in una delle seguenti categorie di viaggiatori:

1. Persone che abbiano viaggiato in Iran, Iraq, Sudan o Siria

- per conto di "international, regional, or sub-national organization on official duty";
- per conto di "ONG umanitaria in servizio ufficiale";
- in qualità di giornalista "for reporting purposes".

2. Persone che abbiano viaggiato in Iran "for legitimate business-related purposes" a seguito della conclusione del "Joint Comprehensive Plan of Action" con l'Iran del 14 luglio 2015.

3. Persone che abbiano viaggiato in Iraq "per scopi commerciali legittimi".

4. Persone che abbiano viaggiato in Iraq, Siria, Iran, Sudan, Libia, Somalia, or Yemen che mantengono "Current Global Entry program membership".

In tali casi, è fondamentale presentare alle Autorità statunitensi tutti i documenti in grado di provare l'appartenenza ad una delle categorie indicate.

In tutti i casi dubbi, si raccomanda di contattare sempre le Autorità statunitensi in Italia (Ambasciata e/o Consolati) e/o procedere alla richiesta del visto.

Per usufruire del programma "Visa Waiver Program" è necessario:

- essere in possesso di un passaporto elettronico. Dal 1° aprile 2016, per poter entrare nel territorio degli Stati Uniti in regime di esenzione del visto (attraverso l'ESTA), è introdotto il requisito obbligatorio del possesso di un passaporto elettronico contenente i dati biografici e biometrici del titolare. Si intende per "passaporto elettronico" il libretto dotato di microprocessore);

- viaggiare esclusivamente per affari e/o per turismo.

Va tenuto ben presente che il soggiorno negli Stati Uniti sulla base di un ESTA non dà alcun titolo a svolgere attività remunerate, anche saltuarie (per cui occorrono specifici visti);

- non permanere negli Stati Uniti per più di 90 giorni. La permanenza nel Paese, oltre i 90 giorni, può

compromettere la possibilità di fruire nuovamente del programma "Visa Waiver". Si attira l'attenzione sul rigore con cui viene applicata la normativa vigente: anche pochi giorni di "Overstay" (permanenza in territorio statunitense oltre il consentito) possono comportare l'intervento delle Autorità americane, che può arrivare sino alla detenzione, anche per periodi prolungati e/o compromettere la possibilità di futuri ingressi nel Paese. A seguito di recenti casi, si segnala infine una particolare severità delle Autorità lungo il confine terrestre tra lo Stato di Washington e il Canada e tra il Messico e gli Stati della California e del Texas.

- possedere un biglietto di ritorno.

In mancanza anche di uno dei suddetti requisiti, è necessario richiedere il visto presso l'Ambasciata o il Consolato USA presenti in Italia.

Le risposte che verranno fornite dal sistema "ESTA" potranno essere di tre tipi:

1. "Authorization Approved", nel caso di concessione dell'autorizzazione. L'autorizzazione sarà valida per due anni o fino a quando il passaporto del viaggiatore non scade e consentirà la possibilità di effettuare più viaggi

negli Stati Uniti senza che per ognuno di essi sia necessaria una nuova registrazione on-line ed una conseguente nuova autorizzazione;

2. "Travel not Authorized", nel caso di diniego dell'autorizzazione. In tal caso occorrerà rivolgersi al Consolato

americano per richiedere il visto.

3. "Authorization Pending", nel caso in cui siano necessarie ulteriori informazioni ai fini del rilascio dell'autorizzazione.

In base al "Visa Waiver Program", "ESTA" non garantirà un'automatica ammissione in territorio americano, che sarà lasciata alla discrezionalità delle competenti Autorità doganali e di frontiera.

Al fine di facilitare il processo di valutazione dei dati forniti con la registrazione, si consiglia di compilare il modulo ESTA con ampio anticipo.

Nella maggior parte dei casi, l'ESTA e' valido per **due anni**.

E' necessario ottenere un nuovo ESTA se:

1. Si riceve un nuovo passaporto, compreso un passaporto d'emergenza o temporaneo;
2. Si cambia nome;
3. Si cambia sesso;

4. Si cambia Cittadinanza;

5. Si deve cambiare la risposta a una qualsiasi delle domande ("si" o "no" dell'application ESTA).

Per maggiori informazioni riguardo il programma "ESTA", si consiglia di consultare direttamente il sito Internet: www.cbp.gov./travel.

A complemento del programma di Sicurezza ESTA, un'ulteriore procedura è entrata in vigore dal 6 settembre

2010 denominata "Secure Flight Program". Tale programma, sviluppato dall'Autorità statunitense TSA (Transportation Security Administration), si applica a tutti i passeggeri che viaggiano da/per e all'interno degli Stati Uniti.

Il Secure Flight Program richiede che una serie di informazioni (cognome e nome, data di nascita, genere maschile o femminile) siano fornite per tutti i passeggeri che prenotano e acquistano biglietti per viaggi da/per o all'interno degli USA.

Informazioni complete e dettagliate su quanto è richiesto al passeggero sono reperibili consultando il sito: www.tsa.gov, o attraverso la compagnia aerea utilizzata o il proprio agente di viaggio.

Restrizioni all'ingresso

I cittadini di Paesi VWP (inclusa quindi l'Italia), che siano anche cittadini di Iran, Iraq, Siria, Sudan e Corea del Nord, non possono viaggiare negli Stati Uniti mediante l'autorizzazione di viaggio ESTA e dovranno essere in possesso di un visto d'ingresso. Le restrizioni si applicano anche ai cittadini di Paesi VWP (inclusa quindi l'Italia) che si sono recati, dal 1 Marzo 2011 in poi, in uno dei seguenti Paesi: Iran, Iraq, Libia, Siria, Somalia, Sudan, Yemen e Corea del Nord.

Le Autorità statunitensi possono prevedere alcune, limitate eccezioni, per le quali si rimanda alla consultazione del paragrafo "Visa Waiver Program". Per ulteriori informazioni sull'applicazione delle misure, si consiglia di rivolgersi alle Autorità diplomatiche e consolari americane in Italia e di consultare il seguente link del Dipartimento di Stato

USA: <https://travel.state.gov/content/travel/en/us-visas/tourism-visit/visa-waiver-program.html>

I viaggi dagli Stati Uniti a Cuba (per tutti i viaggiatori, anche non cittadini americani) restano soggetti a forti restrizioni; non sono, in particolare, consentiti viaggi turistici a Cuba, con partenza dagli Stati Uniti. Per maggiori informazioni, consultare la Scheda Cuba nel sito

<https://travel.state.gov/content/travel/en/international-travel/International-Travel-Country-Information-Pages/Cuba.html>

Respingimenti

In presenza di problematiche amministrative, derivanti da precedenti soggiorni negli Stati Uniti (es. multe per eccesso di velocità, superamento del periodo di permanenza concesso in precedenti viaggi, ecc.) o di elementi che, nel colloquio con le Autorità di frontiera (Customs and Border Protection) all'arrivo negli Stati Uniti, possano indicare l'intendimento di titolari di ESTA di fare ingresso nel Paese per motivi diversi da quelli previsti dal Visa Waiver Program (affari e/o turismo per periodi non superiori ai 90 giorni), gli stranieri in arrivo negli aeroporti statunitensi possono essere respinti alla frontiera e/o sottoposti a fermo, presso le strutture aeroportuali, in attesa del primo volo utile per il rientro in Italia. Per informazioni relative all'ESTA, nell'ambito del programma di viaggio senza visto (Visa Waiver Program) e per informazioni sui visti di ingresso, consultare le voci "Visa Waiver Program" e "Visto d'ingresso".

Controllo dei passeggeri

Nei maggiori scali aeroportuali degli Stati Uniti sono stati introdotti veri e propri "body scanners", sistemi accurati di controllo elettronico a bassa emissione di raggi X, per il controllo passeggeri: chi non intenda sottoporsi a tale tipo di controllo, può chiedere di essere sottoposto a quello "pat down" (perquisizione fisica manuale).

Si consiglia, inoltre, di verificare attentamente la lista degli articoli ammessi o vietati a bordo, consultando la Compagnia Aerea utilizzata.

Si ricorda, infine, l'obbligo, per i possessori di "Carta Verde" (Green Card), di risiedere negli Stati Uniti per almeno 6 mesi nel corso dell'anno, e di segnalare alle Autorità dell'Immigrazione le eventuali variazioni di residenza, durante la permanenza nel Paese e di verificare la normativa prevista per i detentori di "Carta Verde" in corso di rinnovo (

<https://www.uscis.gov/green-card/after-green-card-granted/internationaltravel-permanent-resident>).

CHECK-IN ONLINE

L'ONLINE CHECK-IN, la procedura che i vettori invitano i viaggiatori a fare nei tempi stabiliti, talvolta non è resa disponibile. In questi casi, sarà necessario fare il check-in direttamente in aeroporto

These policies vary by state and customers are encouraged to check with the appropriate department of motor vehicles for more information. Please check with the Florida Department of Highway Safety and Motor Vehicles to determine if your license is valid under Florida law. As of August 14, 2023, information regarding license validity was able to be located at the following webpage on the Florida Department of Highway Safety and Motor Vehicles website - <https://www.flhsmv.gov/driver-licenses-id-cards/visiting-florida-faqs/> Customers travelling to the U.S. and Canada from other countries It is important that customers check with the appropriate Department of Motor Vehicles in the States or Provinces in which they intend to travel to ensure compliance with their various licensing laws. Customers traveling to the United States and Canada from another country must present the following: Their home country driver's license that is valid, unexpired and includes a photograph, and If the home country license is in a language other than English (or French, for rentals in Canada) and the letters are English (i.e. German, Spanish, etc.) an International Driver's Permit is recommended, but not required, for translation purposes in addition to the home country license.
